Spring 2017

Parent Coffee

On Thursday, April 27, 2017 we will be having a Parent Coffee at Lewis and Clark Elementary at 5pm. At this parent coffee we will talk to you about the different activities that we are doing in Search and let you know about any upcoming enrichment and programming opportunities. We will also at this time be showcasing student exhibits. You will have the opportunity to view your students work and ask questions about how it pertains to the thematic units that we focus on in Search Class. The exhibits you will be viewing are listed below along with the focus unit.

1st and 2nd grade: Patterns and Changes: Past and Present – based on the book “The Little House.”

3rd Grade: Relationships – Rainforest Exhibit

4th Grade: Systems: Business Exhibit with modified product

5th Grade: Structures: Roller Coasters

Search Family STEM Night

The annual Search Family STEM Night will be on Monday, April 3, 2017 at Lewis and Clark Elementary in the forum. Come join us from 6-7pm for a STEMtastic time. As a family you will be working to build a STEM activity using a design brief to experience some of the exciting things that we do in Search class. We hope to see you there!

Engineering for Kids Summer Camp:

Lewis and Clark is hosting the Summer Engineering for kids Camp. Kids 7-12 will be participating in a Minecraft Camp that is Monday-Thursday from 9-12am. The camp will be offered June 19-23. Flyers will be available soon.

William and Mary Summer Enrichment Program:

Afternoon Session: 1-4pm

Tuition: \$350/course

Flyer is attached

1. If it takes six men one hour to dig six holes, how long does it take one man to dig half a hole?
2. Two men play five complete games of checkers. Each man wins the same number of games. There are no ties. How?
3. You walk across the bridge and see a boat full of people yet there isn't a single person on board. How is that possible?
4. If you break me, I'll stop working, if you can touch me, my work is done. If you lose me, you must find me with a ring soon after. What am I?
5. What is wider than life itself
Longer than forever
So simple it's complicated
Travels but never leaves the spot
Puts others in danger but no one gets hurt
And reaches to worlds unknown?

You can find the answers to these brain teasers on my blog site.

Logic Puzzles:

Movie Madness:

Going to the movies is never straightforward for the Square-Eyes family. They all want to see different things, not to mention buy different snacks. Can you figure out everyone's favorite type of movie and they like to eat?

1. Mom hates musicals but is never sick of popcorn.
2. Candy wrappers are always rustling in horror movies.
3. Dad loves nachos (extra spicy) and avoids action movies.
4. Seeta only likes movies that are supposed to make her laugh
5. Sid doesn't like ice cream.

Events to Attend:

Make sure you check out the ccps.us website to see different events that are happening around the county. There are a lot of great exposure opportunities at the middle school and high school if you have a student interested in art, drama, music, or sports. If you would like more information let me know and I can help.
